QUICK BRICK NEWSLETTER DECEMBER 2002

Merry  *Christmas*

ADVERTISE YOUR BUSINESS

January will be a good month to get more contacts. The holidays will be over and everyone will be dreaming of remodeling for spring and ways to create beautiful patios, walls, or floors for the summer's entertaining. January, February, and March are good months to advertise. Be sure to fax in your ads to **972-612-1209** before they run.

FROM OUR DISTRIBUTOR

Jennifer Johnson of Houston has just finished another job. Jenn says she is looking forward to a little time off in December to get ready for Christmas with husband Paul and son Ethan, who will turn one this month.

UPCOMING EVENT

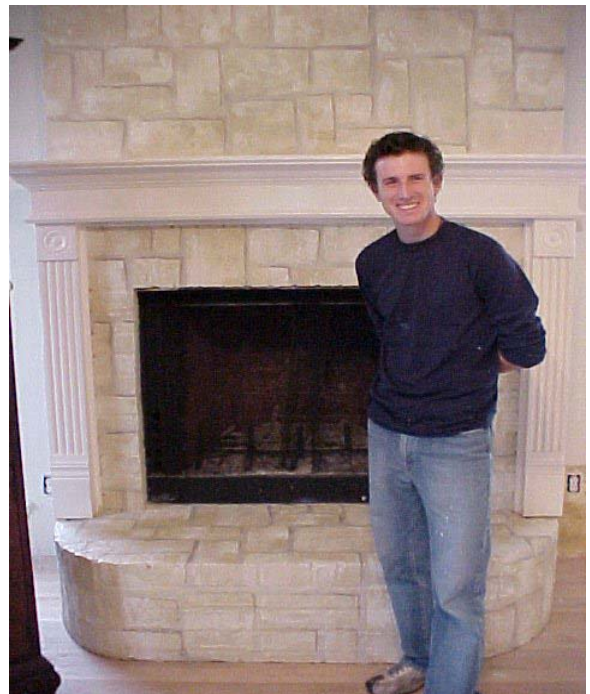

Our next Distributorship Training Program will be held on Saturday, January 25, 2003 at the Plano Civic Centre in Plano, TX. To sign up now and find out more information, call **972-985-9099**.

QB TIP

Don't forget to take those "Before & After" pictures of your projects and send them in. It could mean cash in your pocket

FEATURED PROJECT

Our newest Distributor Chad Billings in Kerrville, Texas has hit the patio running and acquired 5 jobs in one week. Has quit his full time job and is now a full time Quick Brick Distributor---Way to go Chad!!! In one project, he applied Austin Stone over an **existing red brick fireplace**, and the customer was thrilled with the new look shown in the picture below. So are we, Chad!!! The fireplace will be the **Featured Project** on our web site. We will offer hands-on training in this new application in January for our Distributors.

Chad and his wife Deja will soon be having their first child.

BUSINESS IS EXPANDING

We plan to grow the business by franchising Quick Brick next year. The investment of becoming a Franchisee will be substantially more than a Distributor. If you have contacts that are interested, you might encourage them to get in on the ground floor through a Distributorship

THINGS TO REMEMBER

Bonuses for a referral from a Distributor that result in a new Distributor signing up are \$350.00 each. Bonuses will be paid upon completion of training.
